TO WHOMSOEVER IT MAY CONCERN

Busbar Systems (India) Limited. are one of our approved vendor having vendor Code K50068 for the supply of Isolated Phase Busducts. Phase Segregated Busduct and Generator Terminal Cubicles (GAC. Line side and Neutral side panels).

They have supplied Bus ducts and Cubicles for a number of projects executed by us. List of some of the projects supplied by them are as follows :

- Shriram Alkali and Chemicals limited – 1 x 48 MW
- Tendaho Sugar Factory – Ethopia – 2 x 20 MW
- Rajasthan Spinning and weaving mills - 2 x 23 MW
- Basai Steels – 1 x 22.4 MW
- Baramura – 1 x 24 MW

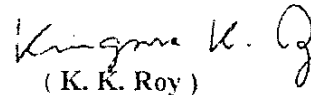

Further, recently they have manufactured the Generator Auxiliary Compartment (GAC) Panel rated for 11KV, 3500A for our project M/s Reliance Industries Limited – Dahej.

Presently, the Busduct for IOCL (1 x 30 MW) is under manufacturing.

The Quality of their products is found satisfactory. Projects were executed professionally and delivery schedules were met.

We are pleased to recommend the vendor M/s. Busbar Systems for supply & execution of similar projects & services.
