TO WHOSOEVER IT MAY CONCERN

Busbar Systems (India) Limited, (Formerly known as GENERAL ENGINEERING) are one of our suppliers for the supply of Segregated Phase Bus ducts.

Segregated phase Busduct of rating 11 kV , 2000A has been supplied by them for our 1 x 25 MW Power plant against our Purchase order No SPMRPL/PO-Busduct/I-31-03 dated 31<sup>st</sup> March 2011.

The Quality of their products is found satisfactory. Project was executed professionally and delivery schedule was met by them.

The Quality of documentation provided by them meets international standards. They provide project specific "End of Manufacturing Report" (EOMR), "End of Installation Report" (EOIR), O & M Manuals and I & C Manuals for each project.

We do not have any issue to recommend the Busbar Systems (India) Limited, for supply and execution of similar projects and services to other utilities.
