TO WHOSOEVER IT MAY CONCERN

Bus bar Systems (India) Limited, are one of our approved vendors for the supply of Phase Segregated / Non Segregated bus ducts having a vendor of 1100058702.

They have supplied Bus ducts for a number of projects executed by us. List of some of the projects supplied by them are as follows:

Bhushan Power & Steel – 33kV, 2500A

Sova Ispat Ltd – 11KV, 2000A

Century Paper & Pulp - 11kV, 3150A & 4000A

TATA Steel – 6.6kV, 3150A

The Quality of their products is excellent. They execute the project in a professional manner and have always met the delivery schedule.

We have no hesitation in recommending them to any project that needs their products and services.
